

The Western World has a strong Christian heritage with many nations sending missionaries out into the world. Now, however, we ourselves have become a mission field.

The reason is clear and is found in the spirit of humanism, even invading our churches. People are now, first and foremost, interested in their own well being and personal interests. Many Christians only focus on what is going on inside their own churches.

Churches and Christians must gear up for action, seek first the Kingdom of God and focus afresh on the Great Commission of Jesus (Mt 28:19). The church is not a cozy feel-good club but the Bride of Christ, entrusted with the task of making whole nations into disciples of Jesus.

OASIS Ministries was founded to encourage Christian leaders and churches to discover, grow and serve in their God-given calling. Seeing and experiencing how God is working in other countries, can and will rekindle their faith to believe for God to move in their own nation.

The task God has given us is enormous and must be properly used to reach it's full potential. OASIS Ministries wants to help to bring ministries and gifts together as well as build relationships between individual churches and organizations.

OASIS Ministries exists to serve churches, leaders - and to any hungry Christians wanting to grow in their calling. OASIS Ministries provides them the opportunity to take part in spreading the Gospel of Jesus Christ and participating in the growth of individual churches, at home and around the world

We have a two-fold aim:

- ◆ to encourage church planting and building of ministries
- ◆ to promote practical discipleship and to help people to grow in their own callings

This takes place two ways. The first is by means of short term ministry trips which are affordable and not too time consuming. The second way is through teachings, workshops and seminars in local churches. OASIS Ministries enjoys good relationships with churches and leaders in Africa, Asia, America and Europe.

It's our heart to see future Apostles, Prophets, Teachers, Evangelists and Pastors being raised up and positioned in the Kingdom of God. At the same time we want to encourage all Christians to take their place and learn to do the works of ministry Jesus has commissioned us to do.

Come and join us. Be part of what God is doing throughout the world right now. Learn to be a blessing in your local church and a blessing to the nations. Don't send somebody else.

Send yourself!

„But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.“ Acts 1:8 (NIV)

These mission trips are a blessing and enrichment for all concerned, and what's more they help to fulfill the Great Commission of Jesus.
